

Calling out to all creative minds!!! UHEW is in need of a LOGO!!!

At its first meeting, the UHEW National Council decided to go out to the membership, by way of a contest, in order to have them design a logo for the Union of Health and Environment Workers. Any and all UHEW members in good standing can participate and submit a logo for consideration.

The logo and colours need to encompass and represent our membership's workplace, i.e.; Health Canada, Environment Canada, Fisheries and Oceans Canada, Canadian Forest Service, Public Health Agency of Canada, Canadian Environment Assessment Agency and Freshwater Fish Marketing Corp.

We have included both former Components' logos for inspiration.

All submissions will be reviewed by the Honours and Awards Committee. The Committee will pick its top three choices to be voted upon by the National Council. The winning LOGO will be announced following the National Council's decision. A prize will be presented to the winning designer.

The deadline date for submission is **February 28, 2017** and should be sent electronically to info@uhew-stse.ca. Please include your name and Local number with your submission.

Should you have any questions, please do not hesitate to contact the National office.

In Solidarity,

Todd Panas
National Co-President

Tony Tilley
National Co-President
